

PRODUCT DATASHEET

UVC T8 25 W/ G13

UVC T8 LAMPS | Ultraviolet germicidal lamps

AREAS OF APPLICATION

- Air purification
- Water purification
- Surface sterilization

PRODUCT BENEFITS

- Effective and environment-friendly disinfection without chemicals
- Low mercury content
- * - Ozone-free
- Long lifetime (10 800 h) due to special coating

PRODUCT FEATURES

- High UV-C radiance at 254 nm
